DETAILED ACTION

Continued Examination Under 37 CFR 1.114

1. A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114. Applicant's submission filed on 10/31/07 has been entered.

Allowable Subject Matter

2. Claims 1-3, 7, 12 and 15 are allowed.

3. The following is an examiner's statement of reasons for allowance: As per claim 1, none of the prior art teaches preprocessing a received signal according to a transmission destination of the received signal to determine a signal path to the destination and a processing algorithm, from a plurality of signal processing algorithms, including a speech recognition algorithm, to process the received signal. It would not have been obvious to one of ordinary skill in the art at the time of invention to modify the prior art on record to arrive at the invention.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
